## eLearning Courses for Professional Coders and Billers

*Earn the CEUs you need to advance your career  
without ever leaving your home or office!*

## Contexo University Benefits

**CONTEXO UNIVERSITY** has designed a suite of eLearning courses with you and your schedule in mind. Our courses offer career advancement to coders and billers in a compact, easy-to-use online environment. All you need is a computer and you'll be on your way to earning the CEUs necessary for professional growth and development.

Here are just a few of the benefits of Contexo University's eLearning courses:

- No intense reading – The online courses include audio, video and animated presentations.
- Easy follow along – Electronic Course Guides will guide you through the course.
- Earn Valuable CEUs – Our courses are approved for Continuing Education Units (CEUs) by both the American Academy of Professional Coders (AAPC) and the American Health Information Management Association (AHIMA).
- Learn from the Experts – With access to our faculty during each course, you'll get the answers you need.
- Save time and money – Since you don't have to incur travel expenses or take time away from work, our online format is affordable and convenient.
- Learn at your own pace – With up to 90 days to complete the course, you can study the material at your own pace and review it as needed.

...and much more!

So say goodbye to the days when you had to take time out of your busy schedule to stay on top of advancements in the coding and billing industry. Your future is waiting and it only takes a few clicks of your mouse.
